1 - In **Sanretto House**, guests can enjoy afternoon tea over a game of bridge in the lobby of this grand hotel, where a pianist provides live musical accompaniment and, during peak season, a world-champion bridge player is on hand to offer games or free insider tips. 2 - Immerse yourself in the picture and travel back to the origins of peace and strength. These breathtaking peaks have existed for much longer than we have, and they will continue to impress many generations to come. They are stronger than everything we as human beings have ever created. The picture of Lago Bianco is part of the **Saas Peaks** series created by photographer **Hico Schaefer** – nuuu.galleries.zurich and films.nuuu.ch
