YOO's Tropical Screens collection, shown here in Stormy Gold, is perfect for a statement wall. YOO is available from Sesto Interior Design in C. Plaza in Nueva Andalucía (www.sestointeriorsdesign.com).

## Wow-Factor WALLS

Wallpaper is back with vengeance and, with so many designs, it can be overwhelming knowing where to start. If you are going for a statement wall, tie-in the colours of the room with the colours in the wallpaper to keep the look coordinated and relaxing. A large room can take a big design on one wall, but if the space is restricted avoid large patterns. Wallpapers can add a focal point, depth and texture to a room – and have a great impact on the space. Here are some ideas...
